

## December Monthly Update

Dear Members,

As we close out another year, I want to extend my heartfelt gratitude for your trust and membership. This season, we're reminded of the importance of community and supporting each other in achieving financial well-being. We're proud to be part of your journey and remain committed to helping you reach your goals.

As the holiday season approaches, we're here to support your financial needs every step of the way. Whether you're looking for competitive loan rates or personalized financial guidance, our team is dedicated to helping you make the most of your finances this season.

It's a great time to look at your money and get it into shape with the iTHINK Financial Wellness Center. This December, members who complete an iTHINK Financial Wellness Center education course will be entered into a drawing for a chance to win one \$100 Visa gift card. The iTHINK Financial Wellness Center is your go-to financial education resource with a full article library, online courses, and personal credit counseling agents who can meet with you on your own time. Visit [ithinkfi.org/financial-wellness-center](http://ithinkfi.org/financial-wellness-center), then click "Visit MoneyEdu," and then click "Log In," and use program code "CUMEMBER" to register for access.

It's always the "giving season" at iTHINK Financial. We make giving back to those in need in our communities a top priority. Each year during the holiday season, the iTHINK Community Foundation hosts Jingle Bells at the Branches where children in need can come and enjoy activities and a special guest appearance right from the North Pole. This year, community members and iTHINK Financial members can donate through December 31, 2024, by going to [ithinkfi.org/foundation](https://ithinkfi.org/foundation). You can also support the iTHINK Community Foundation by purchasing a Jingle Bells icon at your branch.

iTHINK Financial is committed to your security and to protecting your information. Try these services to help better protect your accounts: eAlerts allows you to set-up account notifications for account balances or debit/credit card transactions; Card Control allows you to lock your iTHINK Financial debit or credit card so you don't have to worry about someone else using your card. It's free and easy to use, and you can unlock it yourself immediately whenever or wherever you are; and you can also take advantage of our Credit Monitoring Service and Identity Theft Protection Program included with our myChoice Checking account. We wish you peace, joy, and financial success this December and beyond. From all of us here at iTHINK Financial, we wish you a joyful holiday season and a prosperous New Year.
